FasTracks is RTD's voter-approved transit program to expand rail and bus service throughout the RTD service area. FasTracks will build 122 miles of commuter rail and light rail, 18 miles of bus rapid transit service, add 21,000 new parking spaces, redevelop Denver Union Station and redirect bus service to better connect the eight-county District. The FasTracks investment initiative is projected to create more than 10,000 jobs during the height of construction, and will pump billions of dollars into the regional economy.
